LETTER UNDER 37 C.F.R. §1.323 CERTIFICATE OF CORRECTION

Sir:

Enclosed is a Certificate of Correction in the above-identified patent. Specifically, due to the cancellation of claims (Claims 3 and 5-31 were previously cancelled without prejudice) during prosecution of the application, fewer than all of the currently named inventors are the actual inventors of the allowed claims (Claims 1, 2, and 4 have been allowed) that issued on April 27, 2010.

The named inventors Edwin Sarver and James Richard Marous should be deleted from the allowed claimed invention. These named inventors' invention is no longer being claimed in the non-provisional application. The named inventor Cynthia J. Roberts is the correct sole inventor of the allowed claimed invention.

Applicant authorizes the Office to charge the fee of \$100 as set forth in 37 C.F.R. §1.20(a) and authorizes the Office to charge any deficiency in fee or refund any overpayment as the Office deems necessary to the deposit account of the undersigned firm of attorneys, Deposit Account No. 50-1546.

Please direct any questions or comments to William Greener at (607) 330-4012.

Respectfully submitted,
